Jennifer M. Granholm**

SATURDAY KEYNOTES

**6:00 PM ~ Dr. Richard Blieden
LUMA Resources**

**6:30 PM ~ David Konkle
City of Ann Arbor Energy Office**

*Where will your kids get their energy from?
- Solutions for global warming and peak oil*

Dave Konkle has been the Energy Coordinator for the City of Ann Arbor for 20 years, saving over \$8 million in energy costs and receiving over \$2 million in grant funds. He is leading the effort to meet Ann Arbor's "Green Energy Challenge" to move all municipal operations to 30% green energy by 2010.

In 2007, Ann Arbor received the first Climate Innovation Award from ICLEI for their LED lighting program. In 2008, Ann Arbor received an Inspiring Energy Efficiency Award from the Midwest Energy Efficiency Alliance for a longstanding commitment to Energy Efficiency and sustainable energy use.
